

We do everything for your health and wellbeing in our hotels

A warm and safe welcome is the responsibility that we live. We are certified with the “Clean & Safe” label by the Swiss Tourism and Hospitality association. We extend the protection concept by the Federal Office of Public Health FOPH and take the following measures for your wellbeing:

A warm welcome without shaking hands in our public areas:

- We comply all Federal regulations & thus ensure that at the end of your stay you can embrace your loved ones again, safe and sound
- We installed additional disinfectant dispenser in public areas
- Our employees clean & disinfect all public areas in increased frequency
- We reduced all touchpoints to a minimum, please do not hesitate contacting our reception if you are missing something or if you would like the protection concept in paper form
- Our employees are required to avoid shaking hands, but nevertheless we warmly welcome you
- We have a mask requirement in our public areas until you sit at your table

Enjoy from morning to evening in our bar & restaurant:

- We installed additional disinfectant dispenser in our restaurants and at the buffet
- Start your day with an enriching breakfast! Wherever possible we use packaged food & portion it if possible
- We provide you with masks and disposable gloves at the breakfast buffet for your own protection
- Masks are compulsory for events with 30 persons or more
- We collect your contact data for a possible tracing, these are treated confidentially

Welcome home in your room:

- All objects in your room that frequently fall into hands are disinfected
- Wherever possible we avoid using informative paper. Please do not hesitate contacting our front office team if you have any questions

Relaxation in our spa & pool, fun in our activities area

- Our spa, pool & the entertainment facilities are also regulated by the FOPH
- Hygiene and cleanliness is essential in our wellness oasis, which is why our employees clean and disinfect all surfaces and touchpoints with high frequency
